

Message from the Principal

I would like to thank parents and carers for their ongoing support of our College in what has been a very challenging time for everyone.

Could you please contact the College if your child does not have the ability to access the internet to do their learning?

We will be providing work packages for students who cannot do their lessons online.

Teachers are busy creating Term Two work as all evidence suggest that the Coronavirus restrictions will be with us for some time yet.

Kind regards

Vicki McKeown
Principal
